# A globally innovative blended learning system for adults

Learning a foreign language is by no means limited to young learners. Nowadays any professional should possess the knowledge of at least the English language in order to have a successful career.

## Just for Adult learners

With teaching material and methodology in English specifically designed for the needs of adult learners, AXON offers General, Business and Communication English courses.

## One global standard

All AXON courses are aligned to the official Common European Framework of Reference for Languages (CEFR), which is the most widely used and recognized language proficiency scale in the world.

## True Beginner Level

A globally innovative online interactive programme especially designed for adults with zero knowledge of the English language and who do not even possess knowledge of the Latin alphabet. The bilingual educational material and online environment adapted to the student's native language, ensures an easy start and effective learning.

## Crash courses

Quick catching up and fast tuition with visible results after just one month of lessons

## English for specific Purposes

Specially designed programs, tailor made to satisfy the needs of Professionals: Banking, General Business, Tourism studies, Maritime studies, etc.

## Flexible adult courses

Custom made courses for working people with no fixed timetable

## Small groups of 2-9 Students

Groups start all year round and they consist of students of same level and age, focusing on personalized teaching.

## Expert teaching personnel

All AXON teachers are university degree holders with experience in teaching adults. They are trained by the AXON Teacher training centre, through webinars and teleconference and are guided into using the most up to date pedagogical methods.

## Interactive version of the AXON teaching material

An electronic version of teaching material that allows the AXON student to be actively involved in the teaching process in the classroom.

## Multimedia Programme Online

On line teaching material that allows self studying and blended learning that maximizes the effectiveness of the AXON teaching method.

## Online Testing

- On-line Mid term and Final Tests with the AXON test card, on our platform, that allow accurate assessment of the student's progress at various stages of the teaching process.
- Online student card for every teaching hour which includes presences, absences, progress, consolidation, material taught and comments
- Extra tests and Mock tests for exam levels
